

Chapter 10, Section 2

Urbanization

(Pages 341-345)

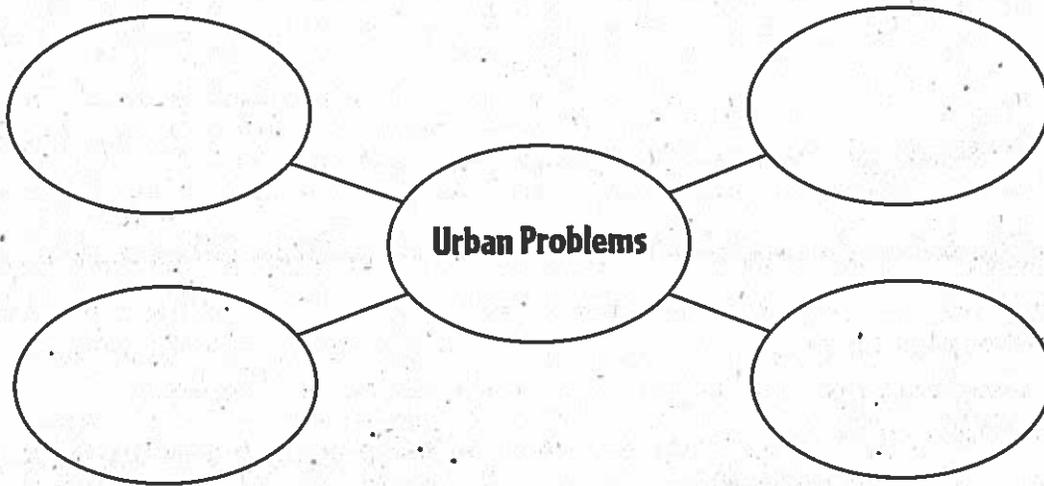

Reason To Read

Setting a Purpose for Reading Think about these questions as you read:

- What technological developments made the growth of cities possible?
- What role did political machines play in urban politics in the late 1800s?

Main Idea

As you read pages 341-345 in your textbook, complete the graphic organizer below by listing the problems the nation's urban areas faced.

Sequencing Events

As you read, place the following events on the time line below.

- Nation's first electric trolley line opens in Richmond, Virginia
- "Boss" Tweed sentenced to prison
- San Francisco begins installing cable cars
- Brooklyn Bridge completed
- Jacob Riis publishes *How the Other Half Lives*

Americans Migrate to the Cities (pages 341-342)

Predicting

Read the first paragraph of this lesson, and then write down some of the problems you would expect to arise as a result of rapid population growth. After you have finished reading, revise your statement as needed.

Terms To Review

Use each of the following terms, which you studied in an earlier chapter, in a sentence that reflects the term's meaning in this lesson.

rigid
(Chapter 5, Section 3)

despite
(Chapter 5, Section 4)

The New Urban Environment (pages 342-343)

Determining the Main Idea

As you read, write down the main idea of the passage. Review your statement when you have finished reading and revise as needed.
