## Comparing a Cell to a School

Instructions: The first column of this chart tells you the name of a place or person in the school. In the second column, write the name of the cell organelle that functions most like the place or person in column one. Write a brief description of the function of the organelle in the cell in the third column.

<b>Place or Person in the School</b>	<b>Cell Organelle</b>	<b>Function of the Organelle</b>
The Front Entrance to the School		
The Main Office		
The Halls of the School		
The Kitchen of the School		
Ladies of the School Kitchen		
The Lunch Line		
Head custodian In charge of the Maintenance Crew		
Support beams (walls, ceilings and floors)		
Boiler Room of the school
